

# Elevation Certificate Workshop

**Date:** Tuesday, March 19, 2019

**Time:** 9:00 AM- 12:30 PM

**Location:** Matrix Design Group 2435 Research Pkwy #300,  
Colorado Springs, CO 80920

**Description:** This half-day workshop will focus on completing and reviewing elevation certificates, which provide elevation information necessary to ensure compliance with community floodplain ordinances; to determine the proper insurance premium rate; and to support a request for a Letter of Map Amendment (LOMA) to remove a building from a Special Flood Hazard Area.

**Audience:** Land surveyors, engineers, and floodplain administrators.

**Topics to be covered:**

- Role of Surveyors and Engineers in Completing Elevation Certificates
- Overview of Floodplain Management Concepts, Terms and Mapping
- Base Flood Elevation (BFE) Determination
- Data Resources
- Letter of Map Changes (LOMCs)
- Building Diagrams
- Role of Local Floodplain Administrators

**Presenters:**

Matthew Buddie, FEMA Region VIII – Denver, CO

*Note: Continuing Education Credits will be your responsibility. Attendance can be verified by any of participating FEMA/CWCB staff.*
