

**Kenneth Goff**  
**May 10, 1968 - October 12, 2024**

Ken made his first appearance to the world stage on May 10, 1968 in Middletown, CT. He lived a full life of love and laughter. He passed on to God while in the comfort of his home on October 12, 2024, at the age of 56. Ken leaves behind his loving wife Kelly, and his cherished sons Sebastian and Alexander. His family was the core of his life, both blood and chosen.

Ken grew up in Vermont working summers as a ranch hand and later a volunteer firefighter. He joined the Army 152nd Engineers where he made lifelong friends and proudly served his country.

Ken married Kelly in 1993, and they had two sons who made his world complete. He sang with Certain Sounds chorale in Vermont. In 2002, he became self-employed helping start Underground Consulting Services (UCS), a new niche utility locating company in Colorado. Ken absolutely loved his work and learning more every day. He loved his employees, supporting them personally when needed. He loved meeting his clients and knowing more about them and details of their work.

He often visited Disneyland with child-like abandon and looked forward to annual camping with friends and family. He was a Patriots fan, but also cheered for the Broncos, and was proud when the military was

recognized. Ken liked to engage in political talk and opinion; and compare religious interests with historical facts and verbatim Bible quotes.

Ken joined Christmas Chorale in Denver and accepted an invitation to join the Passion Play of Denver, which he faithfully continued up to his passing. He brought a sense of family to all, and offered his love and personal support to anyone having a hard time in life. Throughout Ken's life, he always included his friends and family. He checked in on people often, to make sure they are doing alright and know he still cares.

Ken is predeceased by his father, Kenneth H Goff, Sr, his mother, Patricia Goff (Harvey), his grandfather, Francis Harvey, Sr., Grandmother Sarah Harvey, many aunts and uncles, and friends. Ken is survived by his wife Kelly, sons Sebastian and Alexander, sisters Barbara Goff, Christine (Goff) Wood, Cousin David Raymond, many special cousins, extended family, and friends.

Ken always remembered each person in his life who passed. Each year he would honor the life and memories of every individual with a personal heartfelt toast; at the anniversary of their passing, or their birthday, a time of year that was special, or an event or memory that they shared.
